Dear Ms. Kiser and Mr. Sukys:

With this letter, I am transmitting the Administrative Amendment No. 12 to the California's 2002/03-2004/05 Federal Statewide Transportation Improvement Program (FSTIP), which makes technical adjustment to FSTIP. This administrative amendment include programming modifications to the rural, non-Metropolitan Planning Organization, portion of the State and applies specifically to any or all of the twenty-one rural air quality attainment counties. This amendment does not affect air quality, timely implementation of Transportation Control Measures (TCM's), or financial constraints and does not result in major scope change.

The projects in this amendment are included in the California Transportation Improvement Program System (CTIPS).

Since administrative amendments do not require Federal Highway Administration and/or Federal Transit Administration approval, this amendment has been amended into FSTIP.

Please address any questions on this amendment to Abhijit Bagde of my staff, at (916) 654-3638.

Sincerely,

A handwritten signature in black ink, appearing to read "Rachel Falsetti".

Office of Federal Transportation Management Program
